# ORGANIC CUME

February 19, 2016

Dr. Xin Hong gave a seminar on his research on Wednesday.

Where did Dr. Hong receive his Ph.D.? Who was his graduate advisor? What is his postdoctoral university?

What is the general area of his research?

Who introduced Dr. Hong?

Which faculty asked questions at the end of his talk?

Briefly summarize the key points of his talk. Do the best you can even if it's not your area of interest.
